Professor K.R.Srinivasan in his book on “**Pallava Cave Temples**” has expressed that the present “**Singaperumal Koil**” was built in 8th century by the kings Mahendra Varman and Narasimha Varman. The Place was known as “**Narasimha Vinnagaram**” in those days, and belonged to Chengundram Village. Later the Temple was eroded by sand. It seems that **Swami Annivilappan, son of Swami Appachiaranna (Mudaliandan Lineage)**, renovated this temple during 15th century. This temple seems to have been named as “**Singaperumal Koil**” recently.

As **Sri Padaladri Narasimha Perumal’s Brahmotsavam** have been scheduled from **2nd of June 2014 to 11th of June 2014** and **Vidaiyatri Utsavam** also has been scheduled from **12th of June 2014 to 16th of June 2014**. So all devotees are requested to participate in this utsavam and get **SRI BHOOMI NEELA AHOBILAVALLI NAYAKA SAMETHA SRI PADALATHRI NARASIMHA PERUMAL and ACHARYAN’s** blessings.
